Whether you need a grid-tied, off-grid, or hybrid 100kW solar system, our expert team will design, supply, and install a reliable system built for long-term performance and cost savings.

Backed by the trust of partners worldwide, Sungrow is committed to delivering unwavering excellence in technology, manufacturing and service. Together, let's bridge to a sustainable future. A Historic Mill's ...

Revolutionize your off-grid microgrid with the MPS0100 hybrid inverter by Megarevo. Boasting a maximum output of 110kVA and a rated power of 100kW, this inverter is built for high-performance ...

With a flexible PV capacity, built-in isolation transformer, and robust protection features, it ensures reliable, continuous power supply in remote or weak grid areas.

It offers flexible operation modes and seamless integration with battery storage systems, ensuring efficient energy management for both commercial and industrial applications.

Explore our range of high quality solar inverters for sale in South Africa. Take back the power and invest in a solar inverter from Off Grid Power Solutions.

High-performance Megarevo 100kW 3-Phase Hybrid Inverter with 400V support and STS switching. Ideal for commercial and industrial solar systems requiring seamless on/off-grid transition and ...

MEGAREVO High Voltage Inverter | MPS0100 | 100KW | 144A MPS series hybrid inverters adopt an integrated design, integrating PV controllers, energy storage converters, and on/off-grid automatic ...

We stock a wide range of off-grid solar power inverters to complete your PV project. View our competitive prices online or contact Sustainable about your inverter requirements today.
