The Wattainer Liquid-Cooled Series features high-performance, liquid-cooled batteries housed in modular cabinets. This advanced liquid-cooling thermal management system results in better battery ...

Ranging from 208kWh to 418kWh, each BESS cabinet features liquid cooling for precise temperature control, integrated fire protection, modular BMS architecture, and long-lifespan lithium iron phosphate ...

CX-CI002 Outdoor C& I Battery Storage Cabinet 105KW/215KWh comes with advanced liquid-cooling technology, safe and reliable. Supports OEM/ODM & factory prices.

Maximize power reliability & savings with our 125KW/261KWH Liquid-Cooled Battery Cabinet. Featuring superior cooling efficiency for extended 10-year lifespan, it enables critical equipment UPS protection ...

The system integrates batteries, power conversion systems (PCS), liquid cooling systems, BMS management, and EMS energy management systems into one unit, featuring high energy ...

BESS-372K, the liquid cooling battery storage cabinet that offers high safety, efficiency, and convenience. Equipped with high-quality phosphate iron lithium battery cells and advanced safety ...

BESS-372K, the liquid cooling battery storage cabinet that offers high safety, ...

Each outdoor cabinet is IP56 constructed in a environmentally controlled liquid cooled cabinet including fire suppression. Multiple 373kWh cabinets can be installed together creating up to 4472kWh energy ...

Our liquid battery cabinet price offers exceptional quality within the Energy Storage Battery category. Energy storage batteries come in various types including lithium-ion, lead-acid, and nickel ...

Based on market demand, we have developed two different liquid cooling solutions specially designed for Li-ion Battery Energy Storage Outdoor Cabinets: Both solutions safely operate in cold and hot ...

Battery cabinet liquid cooling price

With the support of long-life cell technology and liquid-cooling cell-to-pack (CTP) technology, CATL rolled out LFP-based EnerOne in 2020, which features long service life, high integration, and a high ...
