Explore Brazil solar panel manufacturing landscape through detailed market analysis, production statistics, and industry insights. Comprehensive data on capacity, costs, and growth.

In 2021, a number of photovoltaic and financial solutions companies expanded their work in Brazil. Companies such as Absolar, Insole, Trina Solar, Alexandria, and Evolua Energia saw significant growth. In addition, traditional energy companies such as Shell and Norway's Equinor began to get involved. "When we arrived in the country, the market was relatively small and now it's one of the biggest ones in the world," says Ivano Garcia-Maltrás, vice president of Trina Solar in the Caribbean and Latin America, sa...
