Who is Linuo photovoltaic?

Shandong Linuo Photovoltaic High tech Co.,Ltd\_Single crystal battery\_Polycrystalline battery About Us  
Linuo Photovoltaic Group is the core enterprise of Linuo Group's solar panel,which is an international high-tech enterprise specializing in the R&D,manufacturing and sales of high-efficiency solar cells and modules.

Who is Linuo Power Group?

Linuo Power Group, founded on Nov. 22th, 2002, specializes in solar station development, investment, engineering, construction, operation and application in worldwide. Linuo Power Group, founded on Nov. 22th, 2002, specializes in solar station development, investment, engineering, construction, operation and application in worldwide.

Who is Linuo solar group?

As a high-tech enterprise,Linuo Solar Group is holder of numerous provincial-level R&D platforms,including Shandong Provincial Key Laboratory of High-efficiency Solar Cell Technology,Shandong Provincial Enterprise Technology Center,Shandong One Enterprise One Know-how R&D Center.

What certifications does Linuo solar group have?

Integrating cutting-edge technology,industry experts and automatic production equipment from top manufacturers in Germany,Italy and China,Linuo Solar Group has all products have passed T&#220;V,CEC,JPEA,Golden Sun,CQC,CGC,CEand other certifications at home and abroad.

Completed the construction of large-scale ground power stations, including a 10MW station in Shigatse, Tibet, and a 30MW station in Delingha, Qinghai. Certified as National High-tech Enterprise Acquired ...

The power station covers an area of 1,000 hectares and consists of over 800,000 solar panels. The power station is capable of generating enough electricity to power over 200,000 homes. Linuo Group ...

Linuo Power Co., Ltd. was established in 2002. As a clean energy solution provider, we have been focusing on energy integration, digitalization and decarbonization through the development and ...

Solar Panel, Battery Pack, Solar System manufacturer / supplier in China, offering Top Quality OEM
