Who are cabinet wholesalers?

At Cabinet Wholesalers, we provide a variety of solutions to improve the style and function of your kitchen cabinets, bathroom cabinets, and more. We are also a trusted Orange County cabinet installer, so you can rest assured that you're getting quality products and professional workmanship.

Are manufacturer-built cabinets better than custom cabinets?

Manufacturer-built cabinets cost less than custom cabinets, and there are many cabinet sizes and designs to choose from. We can customize your stock cabinets with a variety of hardware options, drawer fronts, and other features to make your new cabinets all your own.

Why should you choose wholesale cabinets?

WholesaleCabinets.com has the convenience and pricing characteristics... "Josh is fantastic to work with. We had a large kitchen and laundry room design that required 15 revisions. Josh did them expertly, patiently and quickly. His work surpassed, by far, the local cabinet designers we consulted.

What does "all inclusive" mean for custom cabinets?

"All Inclusive" means that your new custom cabinets are going to come loaded with an enormous amount of upgrades at no extra cost, features that would cost you up to 60% more from other manufacturers.
