Does sunwize Power & Battery offer custom enclosures?

Sunwize Power & Battery also offers custom enclosures to meet any specification. All Enclosures include rainproof design, electrical knockouts and ventilation. M Series Enclosures are pole-mounted enclosures featuring new battery storage capabilities and a hammered powder coat finish.

What is a solar battery enclosure?

Free-standing enclosures and floor-mounted enclosures are perfect either for large solar batteries or many batteries that are too heavy to be wall-mounted or pole-mounted. Free-standing battery enclosures could be of any height, width, and depth according to your requirements. They can be portable if you choose to include casters.

What is a floor-mounted solar battery cabinet?

Floor-mounted solar battery cabinet However, this is rare, and used mostly to house other electrical equipment in addition to batteries in heavy-duty industrial environments. We can also manufacture small free-standing enclosures to be floor-mounted or just placed down.

How do solar battery electrical cabinets work?

Solar battery electrical cabinets also commonly use cable knockouts and battery segregation pieces to increase the functionality of the enclosure. Cable knockouts allow cables from various appliances to be connected to your solar battery cabinet. Plus, you can create a personalized wiring system with ease. Enclosure with knockouts
