What are Intellinet network cabinets & open frame racks?

Intellinet Network Solutions' network cabinets and open frame racks present a versatile and all-encompassing solution for your network installation needs. Crafted from premium materials with meticulous attention to detail, they feature a cold-rolled, galvanized steel frame and a tempered-glass door.

What is a network cabinet?

Networking cabinets tend to have a wider footprint with additional interior space along both sides for cable management. Inside of network cabinets allows easy access to cables and equipment and may have removable doors and/or side panels. Cables can be organized with cable management accessories in the front or back of the cabinets.
